Social events:**Join our choir for 30 minutes**

Arrangements are being made for an a cappella choir session with the help of a choral director.

We all have music in us, and this session will be open to all registered delegates.

So, whatever your level of experience or skill, come along and join in. This promises to be an enjoyable way to find out if singing could be good for your wellbeing and if taking part in choirs can help you build new relationships quickly and develop useful workplace skills, e.g., for collaboration!

DOP Member event

Following the close of the nested programme at 6 pm, there will be a DOP Member networking event at a venue nearby starting at 6.30. This is open to all DOP members.
